Hearing Loop System available for Centre Stage, ask  
In Guest Services for more details.

Can we please remind all guests that the use of video  
recording equipment is not allowed during shows.

Use of Laser Pens is stictly  
prohibited.

Strobe lighting effects,  
pyrotechnics and lasers are  
used in some venues.

# Stay Safe

To enable you to fully enjoy your stay with us and to ensure your safety, please ensure that you and your family are familiar with the information below.

## STAY SAFE

Please be aware that your holiday accommodation will be largely unfamiliar to you particularly at the start of your break. It is important therefore that you take extra care of yourselves and your children particularly in areas where there may be hot surfaces, equipment and furniture, which could cause injury if adequate levels of care and supervision of children are not taken. If there are any defective items, please inform guest services.

Familiarise your children with the Resort, the location of your accommodation and its name or number.

For your safety, there are instructions posted in your unit of accommodation telling you what to do in the case of fire. If an evacuation of a venue becomes necessary, please follow instructions given to you by our trained staff who will direct you to a place of safety.

There is a smoke detector in every unit of accommodation. If this beeps intermittently, inform guest services who will arrange for the battery to be changed.

When using cooking appliances that you are not familiar with please take care to ensure food is properly cooked.

If you have an accident whilst on resort, please inform guest services who will arrange for medical treatment to be provided.

## WINTER SAFE

During icy conditions, major roads and access routes to accommodation and facilities are treated to allow safe movement round the site. If you identify any area where further treatment is required please inform Guest Services.

## PLAY SAFE

Please follow the safety notices posted at all indoor and outdoor play areas. It is important that children are supervised by a responsible adult at all times when using these areas.

## SWIM SAFE

A responsible adult must accompany children under 8 years of age and all non-swimmers under the age of 14 in the water.

Maximum 2 children per 1 adult.

Before entering the pool:

- Remove jewellery, it must not be worn on the flumes or slides and lifeguards cannot accept responsibility for looking after it.
- In the interest of hygiene, please shower and encourage children to use the toilet before swimming.
- Inflatable toys or boats are not allowed in the pool.
- Swimwear is compulsory for all ages for hygiene reasons.

Whilst in the pool:

- Our Royal Life Saving Society lifeguards will be on duty. Please listen to their instructions which are for your safety.
- Diving and jumping are strictly prohibited.
- Please observe the pool depth markings.
- If you require first aid, please inform a member of staff.
- All non or weak swimmers should not go out of their depth. Children using swim-aids such as armbands must be constantly supervised. Large inflatables are not permitted.
- Height restrictions are in force on some slides.

Whilst at the beach:

- Please take great care when using inflatables or dinghies.

## DRIVE SAFE

Please observe the 10mph speed limit when driving on Resort.

Take care when parking your vehicle. Always use the designated areas.

All roads within the Resort are subject to the Road Traffic Act in the same way as public roads. It is therefore an offense to be in charge of a motor vehicle whilst under the influence of alcohol or drugs.

## CCTV

Butlins Skyline Ltd. operates a CCTV system in several venues and around the Resort.

**Identity Bracelets** - are available from the Nursery for all children under 6 years old.

**Lost Children!** - All children who have lost their families will be brought to the Nursery Nurses.

Please contact a Security Officer or Team Member if you cannot find your child.
